**Eventbrite Registration Available for the April 27-30, 2020 Peer Review Virtual Public Meeting of the TSCA Science Advisory Committee on Chemicals**

As noted in the Federal Register of [date, citation], EPA will hold a virtual public meeting on April 27-30, 2020, from 10:00 am to approximately 5:00 pm, for the TSCA SACC to peer review EPA's draft risk evaluation of asbestos. More information about this meeting and links to related documents, can be found at <https://www.epa.gov/tsca-peer-review>.

The April 27-30, 2020 peer review virtual meeting is open to the public and registration is required. If you would like to provide oral comments during the peer review virtual meeting, you must register by noon, April 22, 2020. Select "attend and make comments" when registering. You may register as a listen-only attendee at any time up to the end of the meeting. Select "attend but will not make comments" when registering.

The peer review virtual public meeting will be broadcast via WebEx. Links for each day and additional connection information will be provided to registered participants.
